The Campaign Gets a QR Code!

Campaign QR code

Scan the QR Code with your smart phone and connect to the campaign website for up-to-date information about the campaign, progress on the construction schedule, the latest edition of Campaign Corner and more! Look for the QR Code in the bulletin and Campaign Corner newsletter, in our email blast and other communications.

It's simple to use. If you don't already have one, download a QR Code reader app on your smart phone. Hold your phone camera lens over the QR Code, let it focus and you will be directed to the campaign website. Use the ☰ symbol to select the page you want to view. This is one more way to make it easier to get updated information on the campaign. As always, you can continue to get campaign news from our eNews blast and bulletin, in addition to the campaign website (www.ourfamilyfaithfuture.org).

Campaign still going strong

You may have noticed that the *Campaign Corner* took a break during the holidays, but the campaign is continuing to progress according to our timeline with ground breaking to begin late spring/early summer after the cold weather passes. Lately, we have been asked several questions by interested parishioners that we thought we would share with you as many of you may have the same questions.

How do I make a contribution to the campaign?

There are several ways to support the campaign - a one time donation, periodic donation or a five year pledge. These can be made through a donation of cash or stocks and can be made via check, credit card, bank draft or bill pay. For stock transfers, please call the church office at 770-393-3255 extension 39.

What happens if I make a pledge and/or contribution and the project does not go forward?

In the unlikely event that the project does not move forward, you are under no obligation to fulfill the pledge. If actual monies have been paid, you will be given the opportunity to apply your donation to property improvements or you can receive a refund.
